**BODY:**

First Consulting & Administration, Inc. is pleased to announce that they have surpassed 25 years in providing the insurance industry complimentary newsletters. The newsletters are published monthly and are available for 1) Life and Health; and, 2) Property and Casualty including Title Insurance. Each newsletter is published approximately two weeks apart.

The monthly newsletters are available on First Consulting's website for the current and previous year. Anyone who has signed up for the service receives an E-mail when the new issue is available on the website.

Francine D. Fetyko, President and CEO of First Consulting said "It has been our pleasure and we our proud in being able to provide the industry with this service for 25 years. Each newsletter includes a brief review of selected items that may be of current interest to our clients and friends. We are delighted when someone asks if a copy can be distributed to their staff as we know they saw value in the newsletter."
