HEADLINE: Joseph Bieniek Recognized by the Insurance Regulatory Examiners Society

BODY: The Insurance Regulatory Examiners Society (IRES) annually presents awards to honor its members who have made significant contributions to the work of the Society or to insurance regulation. This year, Joseph Bieniek, CPCU, AIE, CRM, CCP, CIC, ARC, MCM, AIS, AU, AINS, received two awards at the annual Career Development Seminar held in Hollywood, Florida at the end of August. Joe is Vice President and Senior Consultant at First Consulting & Administration, Inc.

The first award he received was the Schrader-Nelson Publications Award that honors the most outstanding original contribution to the Society's newsletter, The Regulator, over the previous year. Joe's article titled Demystifying Title Insurance, Part 1 of a 2 Part Report on Title Insurance appeared in the Summer 2011 issue of The Regulator. The article is available at

Joe also received the Chartrand Communications Award. This award is in its second year of existence and it recognizes individuals who have made a difference to IRES through their actions. Joe received the award for his devotion to IRES and the IRES Foundation for many years.

Francine D. Fetyko, President and CEO of First Consulting said "It's a great recognition for Joe of his work in helping to raise the educational level in the insurance industry."

First Consulting & Administration, Inc. is a premier provider in assisting the insurance industry in achieving their business strategies with a focus on compliance and regulatory issues. Since 1969, First Consulting has advised and assisted companies across the country. The primary areas of practice include product development and filing; third party administrator licensing; research; advertising compliance review; UCAA filings; and risk assessment.
